Weka's Exclusive HOSTED TRAVEL

Is a new & unique way to travel giving your clients the comfort of a local expert to help them throughout your travels yet not compromising the level of self-touring they require.

WHATS IT ALL ABOUT

You want to travel independently, but don't like the thought of arriving to a new city and feeling like you got to find your feet on your own.

Bus tours with 50 other people is not the same appeal as you want that flexibility of something created around your needs and interest.

Getting from one City to the next can be stressful and you need someone there to just take away that uneasiness of trying to figure things out in a confusing and foreign language or place.

You want the freedom to choose a hotel that suits your needs and budget and location is the key.

Flexibility to travel on your dates, and destinations rather than a set travel package.

NO more Stress.. Hassle Free
