What's this tour about:

This bespoke small group tour is ideal for singles, couples and friends who want to join a few like-minded travelers as we spend time in little towns, stay in small boutique accommodation, meet some locals, shop at markets and twirl in circles at the astonishing history which will come alive with our local guides.

SPECIAL DAY
TRIPS:
including Versailles

Here is the plan so far:

Fly to Paris for 4 nights. We'll do some morning tours and I'm also keen to take you to Versailles for a day trip to see the palace and incredible grounds. Then out east to the German/French border town of Strasbourg which I visited a few years ago and found it so cute I took a gazillion photos!

Then we'll head south for 2 nights in Annecy for some more wineries, villages, sightseeing and relaxing & then down to Provence near the French Riviera for 4 nights so we can base here and visit the surrounding towns.

Now it's off to Italy and we'll have 2 nights in Lake Maggiore and 2 nights at Lake Como (and go George Clooney spotting!), then down to Rome for 3 wonderful nights for the famous sights and some out of the way places.
