## What's this tour about:

Our local experiences and Christmas market exploring are only just the start before we join an eight day river cruise from Vienna to Nuremberg and ending with a magical Christmas in Paris.

## Here is the plan:

Fly from Auckland to **Frankfurt for 2 nights** before flying to **Vienna for 1 night**. These 2 cities come alive with the Christmas Markets and it is a perfect time to explore with our local guides as well as do a little shopping in the famous iconic holiday markets.

Now it is time to join an **All Inclusive 8 day River Cruise from Vienna to Nuremberg** with all meals, unlimited beverages and Gala Dinners included as well as daily sightseeing.

The cruise takes us through 3 Unesco Heritage Sites as well as the Wachau Valley, Danube River, Linz, Passau, Regensburg, Roth and ending in Nuremberg.

We will spend **2 nights Nuremberg** before we fly onwards to **Paris for 2 Nights** for Christmas Eve and Christmas Day.

With our stockings full, it is time to head home with a stopover in **Singapore 1 night** before arriving back in New Zealand.
